

SOW-15: TEST PLAN MANAGEMENT

- 15.1 *Contractor* shall solicit competitive bids from qualified testing laboratories to complete the following tests / studies:

Substance Name	EC #	Test Method / Protocol
<i>Insert Substance Names, EC#, and Protocol</i>		

- 15.2 *Contractor* shall recommend to the *Buyer* which laboratory to select for each test / study and shall explain the basis for each recommendation. Consideration shall be given to the complexity of the test given the nature of the substance, the qualifications and experience of the laboratory, price, and schedule.
- 15.3 *Contractor's* recommendations shall be in the best interest of the *Buyer*. There shall be no formal or informal reciprocal agreements, special treatment or privileges, or other factors that directly or indirectly influence vendor selection. This does not, however, preclude the *Contractor* from considering past experiences with the vendor when forming the recommendations.
- 15.4 All testing shall be contracted directly by *[the Buyer] [or] [the Contractor, as*
